

A THOUSAND KISSES

*Words and Music by

I've known you for quite some time now.
We've talked and walked on the beach.
You ask if we'd be happy,
and if I knew sometimes we'd cry.

'n some days would be dreary,
but most days really fine,
And we'd have to fight a world
that's full of lies most of the time.

So, I thought I'd take my chance.
I might only get to kiss you once.

(ooh ... ahhh..)

And it would be a thousand kisses deep....(a thousand kisses)
It'd be a thousand kisses deep....(a thousand kisses)
You know I'll always keep my word to you....ooooh.... (a thousand kisses)
We'll open the windows,
blow out the smoke,
and look at the truth.

And I'll kiss you a thousand times deep...(a thousand kisses....ahhh)

I know what's on your mind now.
Can we live in Love and succeed?
Will our strengths be strong enough
to take care of our needs?
And everything that's black and white,
today 'they' say has turned to gray.

But, I will always love you,
and I'll always stay this way.
So, I think I'll take my chance,
I might only get to kiss you once.
(oooh ... ahh ... ahh ...)

And it would be a thousand kisses deep....(a thousand kisses)
It'd be a thousand kisses deep....(a thousand kisses)
You know I'll always keep my word to you, oooh....(a thousand kisses)
An' we'll open the windows,
blow out the smoke
and look at the truth.
And, I'll kiss you
a thousand times deep....(a thousand kisses....ahhh)

Well, I said it.

I meant it.

That's what I'll do

I'll kiss you

a thousand

times deep.....(a thousand kisses)

It'll be a thousand kisses deep....(a thousand kisses)

It'll be a thousand kisses deep....(a thousand kisses)

And soon we'll have a million kisses.....
