

BACK TO THE HEART

*Words and Music by
R. Krasny and E. Fischer 1997*

In the beginning, when I awoke
On that morning after
I heard a voice soft and clear
Full of joy and laughter

Chorus:

I was... getting back to the heart
Giving back to the heart of it all
Getting back,
You gotta give back to the heart
You gotta get back to the heart
You gotta give back to the heart
You gotta get back to the heart

If you're being born
Or dyin' somewhere
Or all wrapped up in heaven
Alone at last or remembering when
You really thought you were livin'

Whether you're workin'
On your big success
Or tryin' hard to get by
Hopin' to be ... Lucky
Givin' it one more try

Chorus:

You're just...getting back to the heart
Giving back to the heart of it all
Getting back,
You gotta give back to the heart
You gotta get back to the heart
You gotta give back to the heart
You gotta get back to the heart

(Gotta get back to the heart)

When you're floating through space
Or walkin' on the water,
Livin' like you should know better
Or doing what you oughta

To know the reason you're here on earth
Is simply understanding
That through the clouds or the darkest night
You're comin' in for a landing.... Oh, yeah!

Chorus:

And you're...getting back to the heart
Giving back to the heart of it all
Getting back,
You gotta give back to the heart
You gotta get back to the heart
You gotta give back to the heart
You gotta get back to the heart

In the beginning, when I awoke,
On that morning after,
I heard a voice soft and clear
Full of joy and laughter.

Chorus:

I was...getting back to the heart
Giving back to the heart of it all
Getting back,
You gotta give back to the heart
You gotta get back to the heart
You gotta give back to the heart
You gotta get back to the heart...
To the heart...
