

## **BELIEVE IN YOU**

I can't only believe in just you  
That's way too much for anyone to do  
Now, it'd feel alright and be so easy

But, I can't only believe in just you.  
No, I can't only believe in just you.

It'd be like standing on a rock in the middle of the river  
I'd be dancing on a leaf  
in the center of the sea

I'd be waiting at that station,  
your face in my 'magination.  
It'd feel so good and be so easy,

But, I can't only believe in just you,  
No, I can't only believe in just you.

We'll pull the stars up  
on over our heads  
And roll in that tunnel of love.  
We'll find that we fit  
like a hand in a glove  
Across that wistful vista of love,  
And inside or out it will be so easy.

But, I can't only believe in just you.  
No, I can't only believe in just you.  
You'll have to believe in me too.  
You'll have to believe in me too.

And we'll go 'round that corner  
Where we are bound to discover  
The place that we all know should be.

Waiting for us,  
the life we can trust,  
Workin' for you and for me.  
And upstairs or down,  
it would be so easy.

But, I can't only believe in just you.  
No, I can't only believe in just you.  
You'll have to believe in me, too.  
You'll have to believe in me, too.

And I'll be standing on a rock in the middle of the river  
I'll be dancin' on a leaf  
in the center of the sea

I'll be waiting at that station,  
your face in my 'magination.  
It'll feel so good and be so easy. (2X)

But, I can't only believe in just you....

You'll have to believe in me, too.  
I'll have to believe in me, too.

And I'll be standing on a rock in the middle of the river  
I'll be dancing on a leaf  
in the center of the sea

I'll be waiting at that station,  
your face in my 'magination.  
It'll feel so good and be so pretty. (3X)

An' I'll be standin'.... (I'll be standin') I'll be dancin'.... (I'll be dancin')  
I'll be standin'.... (I'll be standin')  
I'll be dancin'....
