

COME BACK SMILIN'

*Words and Music by

You say you found a better way.

But that was yesterday.

Now, you're here and you're cryin'!

You say, before you went away,

There had to be another way.

I'd have to understand, 'cause you're not lyin'!

Chorus:

But, all these things keep changin' round and round.

Ya gotta grow up and ya gotta get down...

Ya gotta see the world. Ya gotta wear a crown.

Ya gotta be the one who's gettin', gettin' around ... (gettin' around) ... gettin' around

(I gotta be the one around, yeah gettin' around). She's gettin' around....

Now, I'm the one who took your hand.

I said I'd try the best I can.

I'd always be your man, and I do love ya!

Now, all there is, I gotta say,

I wish you well along the way,

And if you come back here,

Come back smilin'!

If ya come back here, come back smilin'!

(Chorus)

Now, I'm the one who took your hand.

I said I'd be the best I can.

You'd always be my man, and I do love ya!

Now, all there is, I gotta say,

I wish you well along the way.

And if I come back here,

I'll come back smilin'

Yeah, if I come back here,

'll come back smilin'!

(Chorus)

You say you found a better way.

But, that was yesterday.

Now, you're back!

Are you still cryin'?!
