

In Spite of It All

Leaves are green - sky is blue-
Mountains aim high - clouds blow through.
The air is cool - there's morning dew
Joy and laughter - belong to you.

CHORUS:

In spite of it all, in spite of it all, in spite of it all,
We'll come through...We'll come through...

Girls can be pretty - boys can be brave,
Children still listen for the sound of a sleigh.
People work hard - plan for tomorrow,
Pray that their babies won't have to beg, steal or borrow.

CHORUS:

BREAK:

And if you don't know what I mean to say
Well can you believe your eyes and ears today?

The sun will rise - the moon will follow.
You'll have to look - for your tomorrow.
But, it is there - fresh as can be.
And, even more - than you thought it might be.

CHORUS:

Believe your heart - you know what's true-
Wherever you are - grace flows though you
We'll find our way - we always do-
No matter how dark-or distorted the view. BREAK: CHORUS:
