

STARMAN

*Words and Music by

What would you do...
If you knew...
They've always been here.

What would you say...
If today...
we learned it all.
Where would we be...
If we could see...
the bigger picture.
The truth is huge...
and for sure...
We'll know it all.

The path was hidden, now it's clear.
The voice of love sings in your ear...

Go with the Starman...
Learn from the Starman...
Become the Starman...
Yeah, be the Starman...

What could you change...
Or re-arrange...
To be more peaceful.
What would we choose...
If we could cruise...
On calmer seas.

Starfolks all around...
Open your eyes
And look around

You can grow and you can play,
It's been up to you since the very first day.

Go with the Starman...

Where would we go...
If we could know...
The more that's out there.

What would we do...
If we knew...
our insides, too.

What could we share...
If we would dare...
To just remember.

Love lives through us...
And we can trust...
In why we're here.

Our Light is greater than our fear.
The time to shine is finally here.

Go with the Starman...
Learn from the Starman...
Become the Starman ...
Yeah, be the Starman.

Starships all around...
And soon they'll be here on the ground...
You can go or you can stay,
It's been up to you since the very first day!

Go with the Starman... Go with the Starman...
You are the Starman... You are the Starman...
We are the Starman... We are the Starman...
