

WHEN I SEE YOU

*Words and Music by
R. Krasny/E.Fischer ©1996*

I call your name, I've seen your face
And I have searched most every place.
But, nothin's there, not ever a trace Could I find of you.
Now, I don't know just where you've been.
Seems to me you're heaven sent
An' I believe that I'll repent
When... I see you, (5x) Ooh...
When I see you
Words are words, they come and go
Sometimes fast and sometimes slow
They're the colors, the ones we know
They take us where we're gonna go...
So, my dear, vanish and go
I'll be with you, well, I know you know
Over rivers and through the snow.
Till... I see you, when I see you..(6x) ooh when I see you
I call your name, I've touched your face.
But, I gotta see you.... When I see you (6x) When I see you, you, you
